Please return this application by mail at P.O. Box 3136 Greensboro, NC 27402, by fax at (336) 412-6315, or scan and email to Caitlin.Warren@greensboro-nc.gov

DATA AUTHORIZATION AND SIGNATURE

The BetterBuildings program is a federally funded program to assist City of Greensboro residents in making energy efficiency improvements to their homes.

For the program to be successful, access to the energy usage data where improvements are being made is important. Information gathered from utility companies will be used to assess the effectiveness of improvements made to ensure that maximum energy efficiency is being achieved. The data will allow us to evaluate the measures that have been taken.

As the account holder, I hereby authorize and give permission to the utilities and energy suppliers named above to release account and energy savings program information to the City of Greensboro or its agents, and the U.S. Department of Energy, for confidential use in connection with calculating energy savings estimates and evaluating the effectiveness of the program. This permission is given for:

- 1) the monthly and total amount of household utility consumption, and
- 2) the price charged for the household utility consumption.

This authorization covers the period starting 24 months before the date below and 36 months after the date of authorization.

I further agree to participate in quality assurance and evaluation activities, the purpose of which is to provide the program administrators an opportunity to ensure that the eligible measures are installed consistent with program standards and to assess energy savings and program effectiveness.

This authorization may be revoked by written notice to City of Greensboro BetterBuildings Program, P.O. Box 3136 Greensboro, NC 27402.

The City of Greensboro takes the privacy and security of your information very seriously and will never sell or otherwise release personal information to outside parties.

Signature

Date
